

The **GREENDALE RETIRED MEN'S CLUB** presents...

Father's Day Weekend at the

QUECHEE BALLOON FESTIVAL

JUNE 14 - 16, 2019 * 3 Days/ 4 Meals

Escape to enchanting **Vermont** and enjoy the fabulous **Quechee Balloon Festival** on this discovery tour of the **Green Mountain State**. We travel to **Quechee** with a stop at the famous **Quechee Gorge** - one of the most photographed sites in the state, followed by a visit to the **Simon Pearce Glass blowing facility**. Simon Pearce began his first workshop in **Kilkenny, Ireland** and later moved to the picturesque mill town of **Quechee**. We will witness a glass-blowing demonstration followed by lunch at the exquisite **Simon Pearce Restaurant**. Take time to shop in the boutique before we depart for our hotel. We check into the **Wyndham Days Inn** in nearby **Lebanon, NH** our home for the next two nights. In the late afternoon we depart for the **Balloon Festival**. We will witness the first **Balloon Ascension** followed by free time for dinner from the many vendors at the **Festival**. Afterwards, experience the **Moon Glow Balloon** demonstration. On Day 2, for those who wish, an early rise is in order to go to the festival to see the **Morning Ascension**. We return to the hotel and depart for visits in the scenic **Woodstock, VT** area. Our first visit is to **Farmhouse Pottery** where you can shop and admire 'timeless heirlooms' of pottery, wooden bowls, specially-designed cutlery, candles and other gifts. Next, we take a ride to **Sugarbush Farm** for a tour and tasting of Vermont specialties. Sample maple syrup and cheeses and shop at their general store. Take some free time to enjoy lunch on own in charming downtown **Woodstock**. We return to the Festival for a late afternoon of '**Pups in the Air**' **Balloons, skydiving demonstrations, activities, a late afternoon Ascension**, dinner on your own and another **Moon Glow Balloon** extravaganza. On our last day for those who wish again, you may attend the early morning **Ascension**. Return to the hotel and after check-out and breakfast we travel to **Bennington** to visit the **Chocolatorium**. Learn the history and culture of chocolate, with a demonstration and tasting. We follow our visit with lunch at the **Mount Anthony Country Club**, nestled in the heart of the **Green Mountains** and featuring classic New England fare. Our final stop will be the **Apple Barn & Country Bake Shop**. Browse through the large red barn with Vermont products and souvenirs before returning home.
